

2018 Advanced Course in Computer Graphics (Virtual Space Modeling)

Final assignment (**Submission deadline: July 5th, 8:40 am**)

Submit a free-format report on the two papers you presented in the lecture via manaba. The page length should be 3 for each paper (6 pages in total) and the file format should be PDF. The details are as follows.

- In the first page, describe your name, student ID number, and titles and author's names of the papers.
- Summarize the outline of each paper in 2 pages (you can quote figures in the papers).
- Summarize your impression for each paper in 1 page.
